I am pleased to present the 2001 Municipal Officials Directory.

The Municipal Officials Directory provides contact information for all local government operations in Manitoba, related agencies, Manitoba Executive Council Members, Members of the Legislative Assembly, and Manitoba Government staff. This annually updated Directory is a practical resource for anyone with an interest in Manitoba's local governments.

As I reflect on this past year and my meetings with many dedicated municipal officials, I am optimistic that there is a willingness and energy to address the challenges facing today's communities.

I look forward to continuing to work with municipalities across Manitoba in the coming year.

Yours sincerely,

Jean Friesen
